Paycheck Protection Program (PPP) Updates

On June 19, the Small Business Administration (SBA) published an Interim Final Rule relating to the Paycheck Protection Program (PPP). The changes reflect provisions in the Paycheck Protection Program Flexibility Act (Flexibility Act), which was signed into law on June 5. These provisions address the maturity, deferral, and forgiveness of PPP loans.

*** Note the PPP application deadline is June 30, 2020 ***

Key Changes

- **Maturity date extension:** Loans made after 6/5/20: extends from 2 to 5 years. Loans prior to 6/5/20 can be extended if borrower and lender agree.
